

Thays Moia Ribeiro

To whom it may concern,

I would like to express my interest in this job and I am writing this presentation letter for the position offered which I saw advertised in LinkedIn. As you will see, I have been a Technical Systems Developer(Since 2020) for 3 year and 4 months total and I am looking to bring my strong professional and technical skills to the Programmer open in this job opportunity.

Lawyer graduated in 2018(Brazil) and Technical Administrator graduated in 2014 with professional experience in different areas as Au pair, in United States of America - USA, my current job for 1 year and 2 months; Banker 11 months; Cleaner 7 months; Dressmaker 5 months; Sale 11 months; Labor - Social Security - Retirement litigation Intern 1 year; Business and Labor consultant - Corporate and Special Projects 2 years and 10 months and I am searching to build one strong career in IT for being one reference of success and that is why I make a point of being involved in this area and being able to contribute with my career.

My skills with code is:

- **Web development** using HTML, CSS, Javascript, React, Python, Node, Java, Express, PHP, C, Tailwindcss, Vite, Three.js, Handlebars, GitHub, Visual Studio Code, Flask, Docker, MySQL, SQL Server, Prisma, SQLAlchemy, MySQL, Codespace.
- **Design of interactives and mobiles apps** with Android Studio in agile development.

I would greatly appreciate the opportunity to meet with you and will discuss my qualifications and your requirements in detail.

Sincerely,

Thays Moia Ribeiro
